

Community Health Partners (CHP) & Southwest Florida Physicians Association (SWFPA)

Community Health Partners (CHP) is the Naples Physician Hospital Organization (PHO). CHP is a not-for-profit corporation that works through the Southwest Florida Physicians Association (SWFPA), an independent practice association.

The primary activities of CHP are:

- ① Direct contracting with self-insured employers
- ① Contracting with insurance companies, networks, and health plans
- ① Development of clinical pathways
- ① Credentialing of providers using the Nationally recognized criteria JCAHO and NCQA
- ① Case management/Utilization management/Disease Management
- ① Participation in utilization management and quality assurance programs
- ① Update payors monthly of new providers and demographic changes

Network Provider benefits include:

- ① On-going administrative support
- ① Maintain contract agreements and fee schedules
- ① Assistance for claim issues
- ① On-going educational support
- ① Patient referrals
- ① Maintain Provider Directories
- ① Maintain practice demographic information
- ① Delegated credentialing provided for initial and reappointments for all contracts participated through Community Health Partners
- ① Office and staff are locally based

The CHP network currently has more than 900 plus participating providers, two hospital systems, and 60 ancillary providers. The contracting services provide access to over 100,000 lives in Collier and Southern Lee counties. The Provider Relations Representatives serve as liaison to you and your office staff between the contracted entity and your practice. The team provides on-going education and administrative assistance.

The Medical Management services provided by Community Health Partners serve over 25,000 covered lives while the Worker's Compensation Management Program (WorkCare) covers over 15,000 employees. These programs are an integral piece of providing high level quality healthcare for the members of the employer groups.
